NOTES: (cont)

1. In view of the continuing COVID-19 pandemic, the Ministry of Corporate Affairs ("MCA") has vide its circular nos. 14/2020 and 17/2020 dated April 8, 2020 and April 13, 2020 respectively, in relation to "Clarification on passing of ordinary and special resolutions by companies under the Companies Act, 2013 and the rules made thereunder on account of the threat posed by Covid-19", circular no. 20/2020 dated May 5, 2020 in relation to "Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)" and Circular no. 02/2021 dated January 13, 2021 in relation to "Clarification on holding of annual general meeting (AGM) through video conferencing (VC) or other audio visual means (OAVM)" (collectively referred to as "MCA Circulars") and Securities and Exchange Board of India ("SEBI") vide its circular no. SEBI/HO/CFD/CMD1/CIR/P/2020/79 dated May 12, 2020 in relation to "Additional relaxation in relation to compliance with certain provisions of SEBI (Listing Obligations and Disclosure Requirements) Regulations 2015- Covid-19 pandemic " and circular no. SEBI/HO/CFD/CMD2/CIR/P/2021/11 dated January 15, 2021 in relation to "Relaxation from compliance with certain provisions of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 due to the COVID -19 pandemic" (collectively referred to as "SEBI Circulars") permitted the holding of the Annual General Meeting ("AGM") through VC / OAVM, without the physical presence of the Members at a common venue. In compliance with the MCA Circulars and SEBI Circulars, the AGM of the members of the Company is being held through VC / OAVM. The registered office of the Company shall be deemed to be the venue for the AGM.
2. Pursuant to the provisions of the Companies Act, 2013 ("Act") a Member entitled to attend and vote at the AGM is entitled to appoint a proxy to attend and vote on his / her behalf and the proxy need not be a Member of the Company. Since this AGM is being held pursuant to the MCA Circulars and SEBI Circulars through VC / OAVM, physical attendance of Members has been dispensed with. Accordingly, the facility for appointment of proxies by the Members will not be available for the AGM and hence the Proxy Form, Attendance Slip and route map of the AGM are not annexed to this Notice.
3. Corporate members are requested to send to the Company, a certified copy of the Board Resolution/Power of Attorney authorizing their representative to attend and vote in the AGM through VC/OAVM on its behalf and to vote through remote e-voting. Members of the Company under the category of Institutional Investors are encouraged to attend and vote at the AGM.
4. The Register of Members and Share Transfer Books will remain closed from Friday, 24th September, 2021 to Thursday, 30th September, 2021 (both days inclusive) on account of the Annual General Meeting.
5. Dispatch of Notice and Annual Report, etc. to Shareholders: In compliance with the MCA Circulars and SEBI Circulars, the Annual Report including the notice of the e-AGM is being sent only through electronic mode to those members whose email IDs are registered with the Company / Depository Participant(s) and are holding shares of the Company as on Friday, 27th August, 2021 being the cut-off date for the purpose. Members may also note that the Annual Report for FY 2020-21 and the Notice will also be available on the Company's website www.khaitansugar.in, on the website of Stock Exchanges BSE Limited www.bseindia.com and National Stock Exchange of India Limited www.nseindia.com
6. The Explanatory Statement pursuant to Section 102 of the Companies Act, 2013 which sets out details, relating to Special Business at the meeting, is annexed hereto.
7. Shareholders are requested to update their Bank account details with their Depository Participant, If they are holding the shares in Demat and RTA in case they are holding the shares in physical. In this connection, the Company has already issued reminders to all shareholders, who have not update their PAN and Bank account details of first and sole shareholder of the Company. Once again, the members are advised to update the details with RTA.
8. Further, the Company draws your attention to the notification issued by SEBI dated June 8, 2018 and the press release dated 3rd December 2018 amending Regulation 40 of the SEBI (Listing obligations and Disclosure Requirements) Regulation, 2015 Pursuant to the amended provision, any request for effecting transfer of shares in physical form shall not be processed except in case of transmission or transposition of shares unless the shares are held in demat form. Hence, the Company/Registrar and Share Transfer Agent would not be in position to accept/ process the requests for transfer of shares held in physical form with effect from 01.04.2019. Therefore, the company advises you to take immediate steps for dematerializing your shareholding in the Company. Holding of shares in dematerialized form offers lots of benefits like enhanced security, ease of handling, faster transfers and eliminating the deliveries. In view of the above, in order to ensure that you are able to deal in shares hassle-free, kindly take steps for dematerializing the shares at the earliest.
9. The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every Participant in Securities market, Member holding Shares in electronic form are, therefore, requested to submit the PAN details to their Depositor Participants with whom they are demat account. Members holding Shares in physical form can submit their PAN details to the Company's Registrar and Shares Transfer Agents.
10. Pursuant to Section 72 of the Act, Members holding shares in physical form are advised to file nomination in the prescribed Form SH-13 with the Company's RTA. In respect of shares held in electronic/ demat form, the Members may please contact their respective depository participants(s).
11. Disclosure pursuant to Regulation 36(3) of SEBI (LODR) Regulation, 2015 and Secretarial Standard - 2 (SS-2) with respect to the Directors seeking re-appointment at the forthcoming Annual General Meeting is appended to the Notice.

NOTES: (cont)

12. In compliance with the aforesaid MCA Circular and SEBI circular dated May 12, 2020, Notice of the AGM along with the Annual Report 2020-21 is being sent only through electronic mode to those Members whose email addresses are registered with the Company/Depositories. The Notice calling the AGM and Annual Report has been uploaded on the website of the Company at <https://www.khaitansugar.in>. The Notice can also be accessed from the website of the Stock Exchange i.e. National Stock Exchange of India Limited at www.nseindia.com and BSE Limited at www.bseindia.com. The AGM Notice is also disseminated on the website of CDSL (agency for providing the VC/OAVM facility and e-voting system during the AGM) i.e. www.evotingindia.com
13. The Register of Directors' and key Managerial Personnel (KMPs) and their shareholding maintained under Section 170 of the Companies Act, 2013, the Register of Contracts or arrangements in which the Directors are interested under Section 189 of the Companies Act, 2013 and all other documents referred to in the Notice will be available for inspection in electronic mode. Members can send an e-mail requesting for inspection of the Registers.
14. The attendance of the members attending the AGM through VC/OAVM will be counted for the purpose of ascertaining the Quorum under Section 103 of the Companies Act, 2013.
15. Since the AGM will be held through VC/OAVM, the Route Map is not annexed to this Notice. Voting through Electronic means Pursuant to the provision of Section 108 of the Companies Act, 2013 read with Rule 20 of the Companies (Management and Administration) Rules, 2014 (as amended) and MCA Circulars dated April 8, 2020, April 13, 2020 the Company shall provide the facility of remote e-voting to its Members in respect of the business to be transacted at the AGM. For this purpose, the Company has entered into an agreement with Central Depository Services (India) Limited (CDSL) for facilitating voting through electronic means, as the authorized e-voting agency. The facility of casting votes by a member using remote e-voting as well as the e-voting system on the date of the AGM through VC or OAVM will be provided by CDSL.

The Instruction for members for remote e-voting is as under:

16. The remote e-voting period begins on Monday, 27th September, 2021 at 9.00 A.M. and ends on Wednesday, 29th September, 2021 at 5.00 P.M. During this period, Members holding shares either in physical form or in dematerialized form, as on the cut-off date i.e. Thursday, 23rd September, 2021 may cast their vote electronically. The remote e-voting module shall be disabled by CDSL for voting thereafter. (i) Pursuant to SEBI Circular No. SEBI / HO / CFD / C MD / CIR / P/2020/242 dated 09.12.2020, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.
 - (i) Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to all the Demat account holders, by way of a single login credential, through their Demat accounts/ websites of Depositories/ Depository Participants. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.
 - (ii) In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in Demat mode are allowed to vote through their Demat account maintained with Depositories and Depository Participants. Shareholders are advised to update their mobile number and email Id in their Demat accounts in order to access e-Voting facility.

Pursuant to above said SEBI Circular, Login method for e-Voting and joining virtual meetings for Individual shareholders holding securities in Demat mode is given below:

COVID-19 IMPACT

The year started amidst a strict nationwide lockdown in India with tough restrictions on economic activity and mobility. The Company, and indeed the entire electronic Marketing sector in India, saw a collapse in sales activity following the lockdown. At that time, there was an unprecedented uncertainty about the eventual impact of the Covid-19 pandemic.

The Company is actively monitoring the impact of the Covid-19 pandemic on its financial condition, liquidity, operations, suppliers, industry, and workforce. It has used the principles of prudence in applying judgments, estimates and assumptions based on the current estimates. In assessing the recoverability of assets such as goodwill, inventories, financial and other assets, based on current indicators of future economic conditions, the Company expects to recover the carrying amounts of its assets. The extent to which Covid-19 impacts the operations will depend on future developments which remain uncertain.

The second wave in Covid-19 has just given way to the start of Third wave that is expected to be more deadly. High number of cases are coming per day across India. A complete lockdown was enforced in West Bengal since 16th May, 2021. Before that also the impact of Covid-19 pandemic was vast. Business has been dull since first lockdown in 2020. While fear, economic uncertainty and disruptions continue to impact the already fragile business environment and our operations, the full impact of this cannot be assessed at this point of time.

INDIAN ACCOUNTING STANDARDS

The Financial Statements are prepared in accordance with the Indian Accounting Standards (Ind AS) under the historical cost convention on accrual basis. The ministry of corporate affairs (MCA), vide its notification in the official gazette dated February 16, 2015 notified the Indian Accounting Standards (Ind AS) applicable to certain classes of companies, Ind AS is applicable from 1st April, 2017.

SHARE CAPITAL

There was no change in the share capital as on 31st March, 2021 of the Company.

DIVIDEND AND TRANSFER TO RESERVE

The Company had incurred losses and Board considered it prudent (with a view to conserve the resources for the company's growth and expansion) not to recommend payment of any dividend on the Equity shares for the financial year under review. Further, Board of the company has decided not to transfer any sum to reserve.

ECONOMIC CLIMATE AND OUR PERFORMANCE

The Covid-19 pandemic has now resulted into a global crisis and caused fear and slow down in the Indian Economy. It has forced the Government to enforce lock-downs of all economic activities. The World Bank has recently slashed India's GDP forecast to 8.3

DIRECTORS' REPORT (cont)

per cent for FY 22, the fiscal year starting April 2021, as against its earlier estimate of 10.1 per cent. India's recovery is being hampered by the largest outbreak of any country since the beginning of the pandemic. The newer version of the Corona Pandemic is expected in near future and due to the same more contraction of the economy can be forecasted. The company is also expected to be greatly affected due to effect and after effect of economic slowdown and corona pandemic.

Marketing division of the company markets electrical products like fan, cooler, pumps etc. We report that the marketing division has contributed significantly to turnover of the company. We believe that the marketing division would perform better in the time to come and shall contribute significantly in profitability also. Due to Covid – 19 reasons there has been a substantial fall in Revenue and the company is expecting that in 1st half of the year 2020-21 the revenue shall be affected. This effect may continue beyond first 6 months also.

During the year 2020-2021 also, company could not start operation of the sugar mill (seasonal) mainly due to paucity of fund to finance the working capital requirement and other direct and operation expenses

AUDITORS

STATUOTY AUDITORS

M/s. K.C.Bhattacharjee & Paul, Chartered Accountants, (Reg. No. 303026E) have been appointed as the Statutory Auditors of the Company at the Annual General Meeting held on 30th September, 2020 for a period of 5 years subject to ratification of appointment by the members at every Annual General Meeting. Accordingly members are requested to ratify the appointment of M/s. K.C.Bhattacharjee & Paul, Chartered Accountants, (Reg. No. 303026E)

The Board has duly examined the Statutory Auditor's Report to Financial Statement. The reply of the management in regard to qualification in the auditor's report id as follows:

- i. Regarding the non-operation of sugar mill of the company and management has not yet decided to discontinue the operation of the mill. The accounting has been done on going concern basis, Fixed Assets of Sugar Mill division especially the plant and machinery has not been used for active service for more than 2years due to non-operation of the sugar mill. Considering the age of the assets and non-usage of machineries for a considerable time, the technical evaluation of the assets needs to be done for ascertainment of impairment provision. Since the technical evaluation is pending, the possible effect of the value of impairment of the assets on the financial statements is not currently ascertainable. Had this technical evaluation carried out, these may be incidental to any variation in the value of assets and consequently change in the amount of accumulated losses.
- ii. In terms of requirements of Ind AS109, Financial Instruments, the company has not opted for Expected Credit Loss (ECL) model for estimating the provisions against Trade Receivables. Had the said model of estimation of receivable delinquencies been applied the balance of provisioning against trade receivables might undergone a change. The possible effect of the non-application of the ECL model on the financial statements is un-ascertained.
- iii. The biological assets amounting to Rs. 2,57,00,854/- includes Bearer and Non Bearer plants and trees. As per Ind AS-16, Property, Plant & Equipment, bearer plant is a part of Fixed Assets and depreciation to be charged on the basis of useful life of the bearer plants. The company has not segregated the portfolio of biological assets into bearer and non-bearer plants and consequent accounting adjustment thereof and continues to recognize the same under current assets, which is in disagreement with the requirements of the above referred Ind AS Accounting standard. Pending completion of said exercise, the consequent impact to the above matter on the financial statements could not be ascertained.

SECRETARIAL AUDIT REPORT FOR THE FINANCIAL YEAR ENDED ON 31ST MARCH, 2021

[Pursuant to section 204(1) of the Companies Act, 2013 and rule No.9 of the Companies (Appointment and Remuneration Personnel) Rules, 2014]

**To,
The Members,
Khaitan (India) Ltd
46C, J. L. Nehru Road
Kolkata - 700071**

I have conducted the secretarial audit of the compliance of applicable statutory provisions and the adherence to good corporate practices by Khaitan (India) Ltd (hereinafter called the company). Secretarial Audit was conducted in a manner that provided me a reasonable basis for evaluating the corporate conducts/statutory compliances and expressing my opinion thereon. Based on my verification of the Company's books, papers, minute books, forms and returns filed and other records maintained by the company and also the information provided by the Company, its officers, agents and authorized representatives during the conduct of secretarial audit, I hereby report that in our opinion, the company has, during the audit period covering the financial year ended on 31st March, 2021 complied with the statutory provisions listed hereunder and also that the Company has proper Board-processes and compliance-mechanism in place to the extent, in the manner and subject to the reporting made hereinafter:

I have examined the books, papers, minute books, forms and returns filed and other records maintained by the Company for the financial year ended on 31st March, 2021 according to the provisions of:

- (i) The Companies Act, 2013 (the Act) and the rules made thereunder;
- (ii) The Securities Contracts (Regulation) Act, 1956 ('SCRA') and the rules made thereunder;
- (iii) The Depositories Act, 1996 and the Regulations and Bye-laws framed thereunder
- (iv) Foreign Exchange Management Act, 1999 and the rules and regulations made thereunder to the extent of Foreign Direct Investment, Overseas Direct Investment and external Commercial Borrowings;
- (v) The following Regulations and Guidelines prescribed under the Securities and Exchange Board of India Act, 1992 ('SEBI Act'):-
 - a) SEBI (Listing Obligations and Disclosure Requirements) Regulation, 2015;
 - b) SEBI (Substantial Acquisition of Shares and Takeovers) Regulations, 2011;
 - c) SEBI (Prohibition of Insider Trading) Regulations, 2015;
 - d) SEBI (Issue of Capital and Disclosure Requirements) Regulations, 2018 (Not applicable to the Company during the Audit Period);

MANAGEMENT DISCUSSION AND ANALYSIS

Overall Economy

The International Monetary Fund (IMF) has sharply scaled down India's economic growth projection by 300 basis points to 9.5 per cent for the current financial year from 12.5 per cent estimated earlier in April. IMF said the downward revision is owing to "lack of access to vaccines" and possibility of renewed waves of coronavirus.

India's economy showed down to 3.1 per cent in Q4 on the back of the corona virus pandemic on a prolonged slowdown. The year 2019-20 GDP growth stood at 4.2 per cent during the year under review. The government has also revised down the GDP growth in Q1, Q2, and Q3 to 5.2 per cent 4.4 per cent and 4.1 per cent respectively. The India economy continued to be sluggish, seeking government catalysis to perform better.

The World Bank and rating agencies had initially revised India's growth for FY2021 with the lowest figures India has seen in three decades since India's economic liberalization in the 1990s. However, after the announcement of the economic package in mid-May, India's GDP estimates were downgraded even more to negative figures, signalling a deep recession. (The ratings of over 30 countries have been downgraded during this period.) On 26 May, CRISIL announced that this will perhaps be India's worst recession since independence. State Bank of India research estimates a contraction of over 40% in the GDP in Q1. The contraction will not be uniform, rather it will differ according to various parameters such as state and sector. On 1 September 2020, the Ministry of Statistics released the GDP figures for Q1 (April to June) FY21, which showed a contraction of 24% as compared to the same period the year before.

Indian Sugar Industry Structure

Sugar production rose by 13% to 30.56 million tonnes in the first eight months of the current marketing year ending September, mainly due to higher output in Maharashtra, according to trade data. "Sugar mills across the country have produced 305.68 lakh tonnes of sugar between October 1, 2020 and May 31, 2021," the Indian Sugar Mills Association (ISMA) said in a statement. Sugar production stood at 270.05 lakh tonnes in the year-ago period.

The sugar mills need to buy cane from farmers at state advised price (SAP) but have to sell their produce at either marginal cost above production or in loss. Thus, higher price purchase of sugarcane but low price sale of sugar in open market creates stress on sugar mills and they are unable to make payments to farmers. This leads to accumulation of arrears. Though government decontrolled sugar industry partially in 2013 and allowed them to sell their produce in open market, the sugar industry faces a bizarre problem that price of its raw material (cane) is fixed by state and central governments as State Advise Price (SAP) and Fair and Remunerative Price (FRP) respectively. The government supported cane prices are attractive to farmers, but loss due to any fall in the prices of sugar in open market has to be borne by the sugar industry. Sugar Industry is also going to be effected by prolonged Corona pandemic and the production is also expected to decline in near future.

Fan Industry

The electric fan industry as well-established in the country and has grown significantly over the years. Large number of players in both, organized and unorganized market, has helped the fan industry to come a long way. However, much of the growth has been through organized players now as consumers move towards branded and more technologically efficient fans. A concerted move has been seen towards widening distribution reach and improving rural penetration by the organized players. Also threat from

MANAGEMENT DISCUSSION AND ANALYSIS *cont)*

Chinese fans lowered. According to "India Electric Fan Market Outlook, 2022," the revenues for organized electric fan market are growing with a CAGR of more than 10% from the last five years. Higher disposable incomes, increased availability of continuous power and a faster shift to the organized sector has propelled the electric fan market in India. The electric fan industry is divided into product types like ceiling fans, table fans, pedestal fans, wall fans and others. Others include fans like industrial, exhaust, multi-utility, tower, bladeless, etc. in India, ceiling fans dominate the market heavily both in organized and unorganized sector. According to region, south India caters to the largest revenue share, followed by west and north. Eastern region is expected to grow fast in the coming few years.

Fan Industry is also expected to be effected by prolonged Corona pandemic and the production and sale is also expected to decline in near future.

Review and Analysis of Our Performance:**Marketing Division**

This is the forth full year of operation of the marketing division. This division markets Fans, cooler and Pumps and gets royalty. Fans contribute the highest business in the segment. The company has pan India network of distributors and dealers to market the products. The division achieved turnover of Rs. 4496.27 lacs in FY2020-21 as against Rs. 5630.09 lacs in FY2019-20. The reduction in sale is mainly due to scarcity of working capital and effect of Corona pandemic related restrictions on sales. The Company is in the process of expanding the footprint of this division pan India and expects to do better in time to come. The Royalty income was Rs. 619.23 lacs as compared to Rs. 496.66 lacs last year.

Sugar Division

During the year and immediately preceding year, company could not start operation of the sugar mill (seasonal) mainly due to paucity of fund to finance the working capital requirement and other direct and operational expenses.

DETAILS	2020-2021	2019-2020
Start of Crushing Season	-	-
Close of Crushing Season	-	-

Sugar Production (in Qtls.)	-	-

Agriculture Division

The agricultural was also not stable and contributed Rs. 30.34 lacs to revenue as compared to Rs. 34.81 lacs in FY 2019-20

Profitability

The PBIDT for 2020-21 was – Rs.224.83 lac as against Rs.92.07 lac (loss) in FY 2019-20.

Outlook

The Outlook for Marketing Division is positive and we expect good demand in electrical products specially fans. However Sugar division would continue to be pain area. Focus would be on reducing costs by increasing crushing. Agricultural division is expected be stable due to better monsoon.

Opportunity and Threats

The demand for electrical products like fans and cooler is fairly stable. The company had been focusing on economy segment in fans sees a good opportunity in decorative fans. The company is in the processing of marketing decorative fans which would improve profit margins also.

The Support price to farmers to buy sugar cane which is ever increasing due to government policy without any consideration to depressed sugar process is big threat to the sugar industry.

Human Resource and Industrial Relation

Industrial relation had been harmonious and company gives due credence to betterment of its workforce.

Internal Control and their adequacy

The Company has adequate internal control system which provides reasonable assurance with regard to safeguarding company's assets. The company has appointed in-house internal auditor who reviews the internal control on regular basis. Report of Internal Auditors is reviewed by the senior management at regular intervals.

Independent Auditor's Report on Compliance with the conditions of Corporate Governance as per provisions of Chapter IV of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended

**To,
The Members of
KHAITAN (INDIA) LTD.**

The Corporate Governance Report prepared by Khaitan (India) Limited (hereinafter the "Company"), contains details as specified in regulations 17 to 27, clauses (b) to (i) of sub - regulation (2) of regulation 46 and para C, D, and E of Schedule V of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, as amended ("the Listing Regulations") ('Applicable criteria') for the year ended March 31, 2021 as required by the Company for annual submission to the Stock exchange.

Management's Responsibility

The preparation of the Corporate Governance Report is the responsibility of the Management of the Company including the preparation and maintenance of all relevant supporting records and documents. This responsibility also includes the design, implementation and maintenance of internal control relevant to the preparation and presentation of the Corporate Governance Report.

The Management along with the Board of Directors are also responsible for ensuring that the Company complies with the conditions of Corporate Governance as stipulated in the Listing Regulations, issued by the Securities and Exchange Board of India.

Auditor's Responsibility

Pursuant to the requirements of the Listing Regulations, our responsibility is to provide a reasonable assurance in the form of an opinion, whether the Company has complied with the conditions of Corporate Governance as specified in the Listing Regulations.

We conducted our examination of the Corporate Governance Report in accordance with the Guidance Note on Reports or Certificates for Special Purposes and the Guidance Note on Certification of Corporate Governance, both issued by the Institute of Chartered Accountants of India ("ICAI"). The Guidance Note on Reports or Certificates for Special Purposes requires that we comply with the ethical requirements of the Code of Ethics issued by the Institute of Chartered Accountants of India.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

The procedures selected depend on the auditor's judgement, including the assessment of the risks associated in compliance of the Corporate Governance Report with the applicable criteria. The procedure includes but not limited to verification of secretarial records and financial information of the company and obtained necessary representation and declarations from directors including independent directors of the company.

The procedure also includes examining evidence supporting the particulars in the Corporate Governance Report on a test basis. Further, our scope of work under this report did not involve us performing audit tests for the purpose of expressing an opinion on the fairness or accuracy of any of the financial information of the financial statements of the company taken as a whole.

Opinion

Based on the procedures performed by us and according to the information and explanations given to us, we are of the opinion that the Company has complied with the conditions of Corporate Governance as specified in the Listing Regulations, as applicable for the year ended March 31, 2021.

Other matters and Restriction on Use

This report is neither an assurance as to the future viability of the Company nor the efficiency or effectiveness with which the management has conducted the affairs of the Company. It is neither an audit nor in an expression of opinion on the standalone Ind AS financial statement of the company.

This report is addressed to and provided to the members of the Company solely for the purpose of enabling it to comply with its obligations under the Listing Regulations with reference to compliance with the relevant regulations of Corporate Governance and should not be used by any other person or for any other purpose. Accordingly, we do not accept or assume any liability or any duty of care or for any other purpose or to any other party to whom it is shown or into whose hands it may come without our prior consent in writing. Independent Auditor's Report

To
The Members of
Khaitan (India) Limited

Report on the Audit of the Financial Statements

Qualified Opinion

We have audited the accompanying Indian Accounting standard (Ind AS) financial statement of Khaitan (India) Limited (the "Company") which comprise the Balance Sheet as at 31 March, 2021, and the Statement of Profit and Loss, (including Other Comprehensive Income), Statement of Changes in Equity and Statement of Cash Flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information (Financial Statement).

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid Financial Statements give the information required by the Companies Act, 2013 ("the Act") in the manner so required and give a true and fair view subject to qualification as mention in the basis for qualified opinion paragraph, in conformity with the accounting principles generally accepted in India including the Indian Accounting Standards specified in the Companies (Indian Accounting Standards) Rule 2015 (as amended) under section 133 of the Act., of the state of affairs of the Company as at 31 March 2021, and loss (including other comprehensive income), changes in equity and its cash flows for the year ended on that date.

Basis for Qualified Opinion

- a) Reference is invited to Note No – 46, to the financial statements regarding the non-operation of sugar mill of the company and management has not yet decided to discontinue the operation of the mill. The accounting has been done on going concern basis.

Also with reference to Note No- 47, Fixed Assets of the Sugar Mill division especially the plant and machinery has not been used for active service for more than 2 years due to non-operation of the sugar mill. Considering the age of the assets and non-usage of machineries for a considerable time, the technical evaluation of the assets needs to be done for ascertainment of impairment provision. Since the technical evaluation is pending, the possible effect of the value of impairment of the assets on the financial statements is not currently ascertainable. Had this technical evaluation carried out, these may be incidental to any variation in the value of assets and consequently change in the amount of accumulated losses.

- b) Reference is invited to Note No – 11.1, In terms of the requirements of Ind AS 109, Financial Instruments, the company has not opted for Expected Credit Loss (ECL) model for estimating the provisions against Trade Receivables. Had the said model of estimation of receivable delinquencies been applied the balances of provisioning against trade receivables might undergone a change. The possible effect of the non-application of the ECL model on the financial statements is not currently ascertainable.
- c) Reference is invited to Note no 10.1, The biological assets amounting to Rs. 2,57,00,854/- includes Bearer and Non Bearer plants and trees. As per Ind AS-16, Property, Plant & Equipment, bearer plant is a part of Fixed Assets and depreciation to be charged based on useful life of the bearer plants. The company has not segregated the portfolio of biological assets into bearer and non-bearer plants and consequent accounting adjustment thereof and continues to recognize the same under current assets, which is in disagreement with the requirements of the above referred Ind AS Accounting standard. Pending completion of the said exercise, the consequent impact of the above matter on the financial statements could not be ascertained.

We conducted our audit in accordance with the Standards on Auditing (SAs), as specified under Section 143(10) of the Companies Act, 2013, as amended ("the Act"). Our responsibilities under those Standards are further described in the "Auditor's Responsibilities for the Audit of the Financial Results" section of our report. We are independent of the Company in accordance with the 'Code of Ethics' issued by the Institute of Chartered Accountants of India together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Act and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence obtained by us is sufficient and appropriate to provide a basis for our opinion.

Emphasis of Matter

Without modifying our opinion attention is drawn to following matters:

- a) Reference is invited to Note No – 5.1, Provision for impairment in value of the said unquoted investment has not been made. Since in the opinion of the management it is not permanent in nature and realisable value of the assets of said company should be higher than the book value. In absence of the audited financial statement of the said company and indicative details of realisable value of the assets of the company. We have not examined the same.
- b) Reference is invited to Note No - 48 to the financial statements detailing therein initiation of proceedings under Insolvency Bankruptcy Code 2016 against the company by certain operational and financial creditors. The matter is still not yet admitted / decided by the concerned court of law. The account has been prepared on going concern basis.
- c) Reference is invited to Note No.-50 to financial statements, Balances of Trade receivables, Trade Payables, Loans and advances, Claims recoverable, are subject to reconciliation and confirmation.

Independent Auditor's Report (cont)

Our opinion is not modified in respect of this matter.

Key Audit Matters

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the Ind AS financial statements for the financial year ended 31 March, 2021. These matters were addressed in the context of our audit of the Ind AS financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. For each matter below, our description of how our audit addressed the matter is provided in that context.

We have determined the matters described below to be the key audit matters to be communicated in our report. We have fulfilled the responsibilities described in the Auditor's responsibilities for the audit of the Ind AS financial statements section of our report, including in relation to these matters. Accordingly, our audit included the performance of procedures designed to respond to our assessment of the risks of material misstatement of the Ind AS financial statements. The results of our audit procedures, including the procedures performed to address the matters below, provide the basis for our audit opinion on the accompanying Ind AS financial statements.

Key Audit Matters	Auditor response to key audit matters
<p>Revenue Recognition</p> <p>Revenue is measured at the fair value of consideration received/receivable from its customers and in determining the transaction price for the sale of products, the Company considers the effects of various factors such as volume based discounts, rebates and other promotion incentives schemes provided to the customers.</p> <p>At year end, amounts for volume based discounts, rebates and other promotion incentives schemes that have been incurred and not yet provided to the customers are estimated and accrued. We have considered this as a key audit matter on account of significant judgement and estimate involved in calculation of provision for such trade schemes as at the Balance Sheet date.</p>	<p>Our audit approach was a combination of test of internal controls and substantive procedures which included the following:</p> <ul style="list-style-type: none"> 1 Assessed the Company's accounting policy for revenue recognition including the policy for recording trade schemes in accordance with Ind AS 115. 1 Obtained understanding of the revenue process, the assumptions used by the management in calculation of accrual of trade schemes and design and implementation of controls. 1 Evaluated management's methodology and assumptions used in the calculations of such accruals for trade schemes. 1 Tested on sample basis management's calculation of the provisions for such schemes at year end with approved schemes and underlying sales data, including testing of completeness and arithmetical accuracy of the data used. 1 Tested, on sample basis, credit notes issued to customer/ payments for incentives as per the approved schemes. 1 Performed analytical procedures to identify any unusual trends and items. <p>Hence the revenue from such service charges so collected are not recognized in the books of accounts of Khaitan (India) Ltd.</p>
<p>Property, Plant & Equipment:</p> <p>Estimates of useful lives and residual value of Property, Plant and Equipment is a significant area requiring Management judgment of estimates and application of accounting policies that have significant effect on the amounts recognized in the Standalone Ind AS Financial Statements.</p>	<p>We examined whether the Corporation has maintained proper records showing full particulars, including quantitative details and situation of fixed assets.</p> <p>The physical verification of Property, Plant and Equipment has been carried out by the Management in accordance with the phased program of verification of all assets and necessary accounting entries based on such physical verification has been appropriately posted which were reviewed by us.</p> <p>We have ascertained that all the major property, plant and Equipment, have been properly maintained and the useful life of the assets are determined and depreciation has been changed as per schedule II of the company's Act 2013.</p>

Independent Auditor's Report (cont)**Information other than the Financial Statements and Auditors' Report thereon**

The Company's management and Board of Directors are responsible for preparation of the other information. The other information comprises the information included in the Directors' report, Management Discussion & Analysis etc, but does not include the financial statements and our auditors' report thereon. Such other Information's are expected to be made available to us after the date of this auditor's report. Our opinion on the financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information identified as above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

When we read the other information, if we conclude that there is a material misstatement therein, we are required to communicate the matter to those charged with governance and take appropriate actions necessitated by the circumstances and the applicable laws and regulations

Responsibilities of Management and Those Charged with Governance for the Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance, changes in equity and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Indian accounting Standards (Ind AS) specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the Ind AS financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

That Board of Directors are also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- I Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- I Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.
- I Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- I Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- I Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Independent Auditor's Report (cont)

Materiality is the magnitude of misstatements in the standalone financial statements that, individually or in aggregate, makes it probable that the economic decisions of a reasonably knowledgeable user of the standalone financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our work; and (ii) to evaluate the effect of any identified misstatements in the standalone financial statement

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Other Matters:

Referring to the note no 45 and as per explanation and information given to us, the company has not make the consolidated financial statement for the year ended 31 March 2021 due to the losses incurred by the associate company in the immediately preceding few financial years and the net assets of the company eroded during last few financial years.

Report on Other Legal and Regulatory Requirements

i) As required by the Companies (Auditor's Report) Order, 2016 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, and on the basis of such checks of the books and records of the Company as we considered appropriate and according to the information and explanations given to us, we give in "Annexure A" a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

ii) As required by section 143(3) of the Act, based on our audit we report that:

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books
- c) The Balance Sheet, the Statement of Profit and Loss including Other Comprehensive Income, Statement of Changes in Equity and the Cash Flow Statement dealt with by this Report are in agreement with the books of account.
- d) In our opinion, the aforesaid financial statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- e) On the basis of the written representations received from the directors as on 31st March, 2021 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2021 from being appointed as a director in terms of Section 164(2) of the Act
- f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B".
- g) In our opinion and to the best of our information and according to the explanations given to us, the remuneration paid by the Company to its directors during the year is in accordance with the provisions of section 197 read with Schedule V to the Act. In respect of one director (Sunay Krishna Khaitan), aggregate remuneration of Rs. 11,14,535/- paid / provided during the year, is subject to the approval of the Members at the forthcoming Annual General Meeting.
- h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, as amended, in our opinion and to the best of our information and according to the explanations given to us:
 1. Reference to the Note no 35, the Company has disclosed the impact of pending litigations on its financial position in its financial statements in accordance with the generally accepted accounting practice in the financial statements.
 2. The Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses.
 3. There has been no delay in transferring amounts, required to be transferred, to the Investor Education and Protection Fund by the Company. However there are no such instances during this year.

ANNEXURE “A” TO THE INDEPENDENT AUDITOR'S REPORT

The Annexure referred to in paragraph (i) under the heading “Report on Other Legal and Regulatory requirements” of our Independent Auditors' Report of even date to the members of the Company on the standalone Ind AS financial statements for the year ended 31st March, 2021, we report that:

i.	In respect of the Company's fixed assets:
a.	The Company has maintained proper records showing full particulars, including quantitative details and situation of Property, plant and equipment.
b.	As per information and explanations given to us, the fixed assets of the Company have been physically verified by the management in a phased manner designed to cover all the items over a period of three years, which in our opinion, is reasonable having regard to the size of the Company and nature of its assets. Pursuant to the program of verification the Building, Plant & Machineries etc. have been physically verified by the management during the year and the discrepancies noticed between book records and physical inventory have been duly adjusted in the books of account.
c.	<p>According to the information and explanations given to us, the records examined by us and based on the examination of the records of the Company, the lands measuring 8053.54 acres approximately are held by the company originally in the name of Ramnagar Cane & Sugar Company limited as per the order no. 4572-L dated 12th March 1964 of Land Reform Branch, Land and Revenue Department, Government of west Bengal and thereafter the name of the company was changed to Khaitan Agro complex Limited as per the certificate of incorporation issued by the registrar of the companies on 1st October 1994. Further M/s Khaitan (India) Limited was amalgamated with Khaitan Agro Complex limited with effect from 1st January 1994 as per the order of Honorable Calcutta High court dated 17th October 1994 and as per the order of the court the name of the company was retained as Khaitan India Limited. The registrar of the Companies, West Bengal issued the Fresh Certificate of Incorporation on 14th November, 1994 and changed the name of the company from Khaitan Agro Complex Limited to Khaitan (India) Limited. Subsequently the Government of West Bengal in its Calcutta Gazette published on 17th April, 1995, vide its Notification no. 186-Ci/C dated 24th march, 1995 issued by the commerce and Industries Department, Group C made the amendments and substitute the Word and brackets from Khaitan Agro Complex Limited (Sugar Division) to Khaitan (India) Limited.</p> <p>Further, as per the letter issued by the Government of West Bengal, Memo No.- 158/BL & LRO/Bel-II/18 dated – 19.04.2018, the “retainer” mill is a “lessee” directly under the State for such land with the terms and conditions specified in rules made under section 4B of the WBLR Act, 1955.</p> <p>However, based on legal advice, the management is of the opinion that pending completion of necessary legal formalities and resolution of the demands as made by the Government of West Bengal, the Company continued to consider the said parcel of land freehold in character.</p>
ii.	The inventories (excluding stocks with third parties, if any) have been physically verified during the year by the management at reasonable intervals. No material discrepancies were noticed on such physical verification of stocks by the management as compared to book records.
iii.	According to the information and explanations given to us, the Company has not granted loan, secured, unsecured to companies, firms, limited liability partnership or other parties covered in the register maintained under section 189 of the Companies Act, 2013. Therefore clause (iii) (a), (b) and (c) of paragraph 3 of the said order are not applicable to the company.
iv.	In our opinion and according to the information and explanations given to us, the Company has complied with the provisions of Sections 185 and 186 of the Act in respect of grant of loans, making investments and providing guarantees and securities, as applicable.
v.	The Company has not accepted any deposits from the public and hence the directives issued by the Reserve Bank of India and the provisions of Sections 73 to 76 or any other relevant provisions of the Act and the Companies (Acceptance of Deposit) Rules, 2015 with regard to the deposits accepted from the public are not applicable
vi.	We were unable to review the books of account maintained by the Company in respect of the products where the maintenance of cost records has been specified by the Central Government under Section 148(1) of the Companies Act, 2013 and the rules framed thereunder due to the operation of Sugar Mills was under suspension for more than 24 months and we are not able to express our opinion that whether the prescribed books of accounts and cost records have been made and maintained or not.

ANNEXURE B" TO THE INDEPENDENT AUDITOR'S REPORT

[Referred to in paragraph (iii)(f) under 'Report on other Legal and Regulatory Requirements' in the Independent Auditors' Report of even date on the Ind AS financial statements of Khaitan (India) Limited.]

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of Khaitan (India) Limited ("the Company") as of 31 March 2021 in conjunction with our audit of the Ind AS financial statements of the Company for the year ended on that date

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ('ICAI'). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and Standards on Auditing, issued by the Institute of Chartered Accountants of India and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the standalone Ind AS financial statements, whether due to fraud or error. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial Reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that

1. pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the Company;
2. provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and
3. provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management, override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, to the best of our information and according to the explanations given to us, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2021, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants Of India.

Summary of Significant Accounting Policies

1. Corporate Information

Khaitan (India) Limited ('KIL' or 'the Company') having domicile presence in the State of West Bengal, India, has been incorporated under the Companies Act in the year 1936. The Company is manufacturer of Sugar and also cultivates sugarcane in its captive farms for utilizing the same for manufacturing sugar in its factory. The Company has also commenced trading activities of Electrical Goods. The Company is the owner of 'Khaitan' brand and getting royalty from its users.

2. Statement of Compliance and Recent Pronouncements

2.1 Statement of Compliance

The Company has adopted Indian Accounting Standards (referred to as "Ind AS") notified under the Companies (Indian Accounting Standards) Rules, 2015 (as amended) read with Section 133 of the Companies Act, 2013 ("the Act") with effect from April 1, 2017 and therefore Ind AS issued, notified and made effective till the financial statements are authorized have been considered for the purpose of preparation of these financial statements.

2.2 Recent Pronouncements

The Ministry of Corporate Affairs (MCA) has issued the Companies (Indian Accounting Standards) (Amendment) Rules, 2019 on 30th March, 2019:

- notifying INDAS 116, 'Leases' and
- amending INDAS 12 'Income Taxes' and INDAS 19 'Employee Benefits'.

The same are applicable for financial statements pertaining to annual periods beginning on or after 1st April, 2019. The Company expects that there will be no material impact on the financial statements resulting from the implementation of these standards.

2.3. Significant Accounting Policies

A. Basis of Preparation

The Financial Statements have been prepared under the historical cost convention on the accrual basis, except for certain financial instruments that are measured in terms of relevant IND AS at fair values/amortized costs at the end of each reporting period.

Historical cost convention is generally based on the fair value of the consideration given in exchange for goods and services.

As the operating cycle cannot be identified in normal course, the same has been assumed to have duration of 12 months.

All Assets and Liabilities have been classified as current or non-current as per the operating cycle and other criteria set out in INDAS-1 'Presentation of Financial Statements' and Schedule III to the Companies Act, 2013.

The Standalone Financial Statements are presented in Indian Rupees and all values are rounded off to the nearest rupee except otherwise stated.

Fair value measurement

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date under current market conditions.

The Company categorizes assets and liabilities measured at fair value into one of three levels depending on the ability to observe inputs employed for such measurement:

- a) Level 1: quoted prices (unadjusted) in active markets for identical assets or liabilities.
- b) Level 2: inputs other than quoted prices included within level 1 that are observable either directly or indirectly for the asset or liability.
- c) Level 3: inputs for the asset or liability which are not based on observable market data.

B. Property, Plant and Equipment

Property, plant and equipment (PPE) are stated at cost of acquisition or deemed cost on the date of transition less accumulated depreciation and impairment losses, if any. Cost of an asset comprises of cost of acquisition or construction and includes, where applicable, inward freight, duties and taxes, installation expenses, professional fees, borrowing costs, initial estimates of the cost of dismantling, cost of replacing parts of the property, plant and equipments and other costs directly attributable to the bringing the asset to the location and condition necessary for it to be capable of operating in the intended manner and purposes. Capital Spare parts which are integral part of the plant and equipment are capitalised.

When significant parts of plant and equipment are required to be replaced at intervals, the same are capitalised and old component is derecognised.

When parts of an item of property, plant and equipment have different useful lives, they are accounted for as separate items (major components) of property, plant and equipment.

Assets to be disposed off are reported at the lower of the carrying value or the fair value less cost to sell.

Depreciation on PPE commences when the assets are ready for their intended use.

Summary of Significant Accounting Policies (cont)

Depreciation on all Property, Plant and Equipments is provided as per Schedule II of Companies Act, 2013 under Straight Line Method over estimated useful lives for each category of assets as under:

Asset	Useful lives (estimated by the management) (as on 31.3.2015)
Factory building	30
Other buildings	60
Plants and machinery	15
Office equipment	5
Furniture and fixtures	10
Vehicles	8

- The residual value of assets has been considered as five percent of the original cost of the assets as per Schedule II of the Act.
- Depreciation is provided on pro-rata basis on additions and deletions of Property, Plant and Equipments during the year.
- In case of impairment, if any, depreciation is provided on the revised carrying amount of the assets over its remaining useful life.
- Depreciation methods, useful lives and residual values are reviewed, and adjusted as appropriate, at each reporting date.

C. Intangible Assets

Intangible assets are stated at cost comprising of purchase price inclusive of duties and taxes, where applicable, less accumulated amount of amortization and impairment losses. Such assets, are amortized over the useful life using straight line method and assessed for impairment whenever there is an indication of the same.

The Company currently have intangible asset by way of Ferry Right.

D. Derecognition of Tangible and Intangible Assets

An item of PPE is de-recognized upon disposal or when no future economic benefits are expected to arise from its use or disposal. Gain or loss arising on the disposal or retirement of an item of PPE is determined as the difference between the sale proceeds and the carrying amount of the asset and is recognized in the Statement of Profit and Loss.

E. Investment properties

Investment Property is property (comprising land or building or both) held to earn rental income or for capital appreciation or both, but not for sale in ordinary course of business, use in the production or supply of goods or services or for administrative purposes.

Any gain or loss on disposal of investment property is determined as the difference between net disposal proceeds and the carrying amount of the property and is recognized in the statement of profit and loss.

The depreciable investment property i.e., buildings, are depreciated on a straight line method at a rate determined based on the useful life as provided under Schedule II of the Act.

Investment properties are derecognized either when they have been disposed of or when they are permanently withdrawn from the use and no future economic benefit is expected from their disposal. The net difference between the net disposal proceeds and the carrying amount of the asset is recognized in profit or loss in the period of derecognition.

F. Impairment of Tangible and Intangible Assets

Tangible and Intangible assets are reviewed at each balance sheet date for impairment. In case events and circumstances indicate any impairment, recoverable amount of assets is determined. An impairment loss is recognized in the statement of profit and loss, whenever the carrying amount of assets either belonging to Cash Generating Unit (CGU) or otherwise exceeds recoverable amount. The recoverable amount is the higher of assets fair value less cost of disposal and its value in use. In assessing value in use, the estimated future cash flows from the use of the assets are discounted to their present value at appropriate rate.

Impairment losses recognized earlier may no longer exist or may have come down. Based on such assessment at each reporting period the impairment loss is reversed and recognized in the Statement of Profit and Loss. In such cases the carrying amount of the asset is increased to the lower of its recoverable amount and the carrying amount that have been determined, net of depreciation, had no impairment loss been recognized for the asset in prior years.

G. Financial Assets and Liabilities

Financial assets and financial liabilities (financial instruments) are recognized when Company becomes a party to the contractual provisions of the instruments.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognized immediately in the Statement of Profit and Loss.

The financial assets and financial liabilities are classified as current if they are expected to be realised or settled within operating cycle of the company or otherwise these are classified as non-current.

Summary of Significant Accounting Policies (cont)

The classification of financial instruments whether to be measured at Amortized Cost, at Fair Value Through Profit and Loss (FVTPL) or at Fair Value Through Other Comprehensive Income (FVTOCI) depends on the objective and contractual terms to which they relate. Classifications of financial instruments are determined on initial recognition.

(i) Cash and cash equivalents

All highly liquid financial instruments, which are readily convertible into determinable amounts of cash and which are subject to an insignificant risk of change in value and are having original maturities of three months or less from the date of purchase, are considered as cash equivalents. Cash and cash equivalents includes balances with banks which are unrestricted for withdrawal and usage.

(ii) Financial Assets and Financial Liabilities measured at amortized cost

Financial Assets held within a business whose objective is to hold these assets in order to collect contractual cash flows and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding are measured at amortized cost.

The above Financial Assets and Financial Liabilities subsequent to initial recognition are measured at amortized cost using Effective Interest Rate (EIR) method.

The effective interest rate is the rate that exactly discounts estimated future cash payments or receipts (including all fees and points paid or received, transaction costs and other premiums or discounts) through the expected life of the Financial Asset or Financial Liability to the gross carrying amount of the financial asset or to the amortized cost of financial liability, or, where appropriate, a shorter period, to the net carrying amount on initial recognition.

(iii) Financial Asset at Fair Value through Other Comprehensive Income (FVTOCI)

Financial assets are measured at fair value through other comprehensive income if these financial assets are held within a business whose objective is achieved by both collecting contractual cash flows and selling financial assets and the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding. Subsequent to initial recognition, they are measured at fair value and changes therein are recognized directly in other comprehensive income.

(iv) For the purpose of para (ii) and (iii) above, principal is the fair value of the financial asset at initial recognition and interest consists of consideration for the time value of money and associated credit risk.

(v) Financial Assets or Liabilities at Fair value through profit or loss

Financial Instruments which do not meet the criteria of amortized cost or fair value through other comprehensive income are classified as Fair Value through Profit or loss. These are recognized at fair value and changes therein are recognized in the statement of profit and loss.

Impairment of financial assets

A financial asset is assessed for impairment at each reporting date. A financial asset is considered to be impaired if objective evidence indicates that one or more events have had a negative effect on the estimated future cash flows of that asset.

The company measures the loss allowance for a financial assets at an amount equal to the lifetime expected credit losses if the credit risk on that financial instrument has increased significantly since initial recognition. If the credit risk on a financial instrument has not increased significantly since initial recognition, the company measures the loss allowance for that financial instrument at an amount equal to 12-month expected credit losses.

However, for trade receivables or contract assets that result in relation to revenue from contracts with customers, the company has not opted to measures the loss allowance at an amount equal to lifetime expected credit losses.

De-recognition of financial instruments

The Company de-recognizes a financial asset or a group of financial assets when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another party.

On de-recognition of a financial asset (except for equity instruments designated as FVTOCI), the difference between the asset's carrying amount and the sum of the consideration received and receivable are recognized in statement of profit and loss.

On de-recognition of assets measured at FVTOCI the cumulative gain or loss previously recognised in other comprehensive income is reclassified from equity to profit or loss as a reclassification adjustment.

Financial liabilities are derecognized if the Company's obligations specified in the contract expire or are discharged or cancelled. The difference between the carrying amount of the financial liability derecognized and the consideration paid and payable is recognized in Statement of Profit and Loss.

H. Inventories

(i) Inventories are valued at lower of the cost or estimated net realizable value. Cost of inventories is ascertained on 'Average Cost Method' basis. Materials and other supplies held for use in the production of inventories are not written down below cost if the finished products in which they will be incorporated are expected to be sold at or above cost.

(ii) Cost in respect of raw materials and stores and spares includes expenses incidental to procurement of the same.

Summary of Significant Accounting Policies (cont)

Cost in respect of finished goods and those under progress represents prime cost, and includes appropriate portion of overheads and excise duty.

I. Biological assets

Biological assets comprise Standing crops of sugarcane. Biological assets are measured at fair value less estimated costs to sell. Changes in fair value are recognized in the Statement of Profit and Loss.

The fair value of these assets excludes the land upon which the crops are planted or the items of PPE utilized in the upkeep of planted areas. The biological process starts with preparation of land for planting, seedlings and ends with the harvesting of crops.

For biological assets, where little biological transformation has taken place since the initial cost was incurred (for example seedlings planted immediately before the balance sheet date), such biological assets are measured at cost i.e. the total expenses incurred on such plantation up to the balance sheet date.

When harvested, cane is transferred to inventory at fair value less costs to sell.

J. Foreign Currency Transactions**Presentation Currency:**

These financial statements are presented in Indian Rupee, the national currency of India, which is the functional currency of the company.

Transactions and Balances:

Transactions in foreign currencies are translated into the functional currency at the exchange rates prevailing on the date of the transactions. Foreign currency monetary assets and liabilities at the year-end are translated at the year-end exchange rates. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of transaction. Foreign exchange gain/loss to the extent considered as an adjustment to Interest Cost are considered as part of borrowing cost. The loss or gain thereon and also on the exchange differences on settlement of the foreign currency transactions during the year are recognized as income or expense in the profit and loss account.

K. Equity Share Capital

An equity instrument is a contract that evidences residual interest in the assets of the company after deducting all of its liabilities. Par value of the equity shares is recorded as share capital and the amount received in excess of par value is classified as Securities Premium.

Costs directly attributable to the issue of ordinary shares are recognized as a deduction from equity, net of any tax effects.

L. Provisions, Contingent Liabilities and Contingent Assets

Provisions involving substantial degree of estimation in measurement are recognized when there is a legal or constructive obligation as a result of past events and it is probable that there will be an outflow of resources and a reliable estimate can be made of the amount of obligation. Provisions are not recognized for future operating losses. The amount recognized as a provision is the best estimate of the consideration required to settle the present obligation at the end of the reporting period, taking into account the risks and uncertainties surrounding the obligation.

Contingent liabilities is not recognized and are disclosed by way of notes to the financial statements when there is a possible obligation arising from past events, the existence of which will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Company or when there is a present obligation that arises from past events where it is either not probable that an outflow of resources will be required to settle the same or a reliable estimate of the amount in this respect cannot be made.

Contingent Assets are disclosed in the financial statements by way of notes to accounts when an inflow of economic benefits is probable.

M. Employee Benefits

Short term Employee benefits are accrued in the year services are rendered by the employees.

Provident & Family Pension Fund: In accordance with the provisions of the Employee Provident Funds and Miscellaneous

Provisions Act, 1952, eligible employees of the company are entitled to receive benefits with respect to provident fund, a defined contribution plan, in which both the company and employee contribute monthly to Provident Fund Scheme by the Central Government/Trust at a determined rate. The company contributes to the Employees' Pension Scheme, 1995 for certain categories of employees. The Company's contribution is charged off to the Statement of Profit and Loss.

Gratuity: Post Employment and Retirement benefits in the form of Gratuity are considered as defined benefit obligations and is provided for on the basis of third party actuarial valuation, using the projected unit credit method, as at the date of the Balance Sheet. Every Employee who has completed five years or more of service is entitled to Gratuity on terms not less favorable than the provisions of The Payment of Gratuity Act, 1972.

The liability or asset recognized in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method.

Summary of Significant Accounting Policies (cont)

The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss.

Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions of the defined benefit obligation are recognized in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet.

Leave encashment benefits: The liabilities for earned leave are not expected to be settled wholly within 12 months after the end of the period in which the employees render the related service. They are therefore measured as the present value of expected future payments to be made in respect of services provided by employees up to the end of the reporting period on government bonds using the projected unit credit method. The benefits are discounted using the market yields at the end of the reporting period that have terms approximating to the terms of the related obligation. Remeasurements as a result of experience adjustments and changes in actuarial assumptions are recognized in profit or loss.

The obligations are presented as current liabilities in the balance sheet if the Company does not have an unconditional right to defer settlement for at least twelve months after the reporting period, regardless of when the actual settlement is expected to occur.

N. Revenue

Sale of Goods

Revenue is recognized at the fair value of consideration received or receivable when the significant risk, rewards and ownership of goods have been transferred and the amount thereof can be measured reliably. This represents the net invoice value of goods supplied to third parties after deducting trade discounts, returns, volume rebates and outgoing sales tax and is inclusive of packing charges and excise duty there against.

Interest, Dividend and Claims

Dividend income is recognized when the right to receive payment is established. Interest has been accounted using effective interest rate method. Insurance claims/other claims are accounted as and when admitted / settled.

O. Borrowing Cost

Borrowing cost comprises of interest and other costs incurred in connection with the borrowing of the funds. All borrowing costs are recognized in the Statement of Profit and Loss using the effective interest method except to the extent attributable to qualifying Property Plant and Equipment (PPE) which are capitalized to the cost of the related assets. A qualifying PPE is an asset, that necessarily takes a substantial period of time to get ready for its intended use or sale.

P. Taxes on Income

Income tax expense representing the sum of current tax expenses and the net charge of the deferred taxes is recognized in the income statement except to the extent that it relates to items recognized directly in equity or other comprehensive income.

Current income tax is provided on the taxable income and recognized at the amount expected to be paid to or recovered from the tax authorities, using the tax rates and tax laws that have been enacted or substantively enacted by the end of the reporting period. Taxable Income differs from 'profit before tax' as reported in the statement of profit and loss because of items of income or expense that are taxable or deductible in other years and items that are never taxable or deductible.

Deferred tax is recognized on temporary differences between the carrying amounts of assets and liabilities in the Financial Statements and the corresponding tax bases used in the computation of taxable profit. Deferred tax liabilities are generally recognized for all taxable temporary differences. Deferred tax assets are generally recognized for all deductible temporary differences to the extent that it is probable that taxable profits will be available against which those deductible temporary differences can be utilized.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realized, based on tax rates (and tax laws) that have been enacted or substantively enacted by the end of the reporting period.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profits will be available to allow all or part of the deferred tax asset to be utilized.

Q. Earnings Per Share

Basic earnings per share are computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares outstanding during the period. Diluted earnings per share is computed by dividing the net profit attributable to the equity holders of the company by the weighted average number of equity shares considered for deriving basic earnings per share and also the weighted average number of equity shares that could have been issued upon conversion of all dilutive potential equity shares.

R. Non-current assets held for sale

Non-current assets held for sale are measured at the lower of their carrying amount and the fair value less costs to sell.

Summary of Significant Accounting Policies (cont)

Assets and liabilities classified as held for sale are presented separately in the balance sheet. However there are no such assets described as held for sale in current Financial year

The Company classifies non-current assets as held for sale if their carrying amount will be recovered principally through a sale rather than through continuing use. Actions required to complete the sale should indicate that it is unlikely that significant changes to the sale will be made or that the decision to sell will be withdrawn. Management must be committed to the sale expected within one year from the date of classification.

S. Cash dividend and non-cash distribution to equity holders

The Company recognizes a liability to make cash distributions to equity holders of the Company when the distribution is authorized and the distribution is no longer at the discretion of the Company. Distribution is authorized when it is approved by the shareholders. A corresponding amount is recognized directly in equity.

T. Critical estimates and judgements

The preparation of financial statements requires the use of accounting estimates which, by definition, will seldom equal the actual results. Management also needs to exercise judgment in applying the Company's accounting policies.

This Note provides an overview of the areas that involved a higher degree of judgement or complexity, and of items which are more likely to be materially adjusted due to estimates and assumptions turning out to be different than those originally assessed. Detailed information about each of these estimates and judgements is included in relevant notes together with information about the basis of calculation for each affected line item in the financial statements.

The areas involving critical estimates or judgements are:

- i) Estimated useful lives of property, plant and equipment and intangible assets – Note 3
- ii) Estimation of defined benefit obligation and leave encashment - Note 19
- iii) Estimation of fair values of contingent liabilities - Note 35
- iv) Impairment of trade receivables - Note 11
- v) Estimation of fair value of investment property – Note 4

Estimates and judgements are continually evaluated. They are based on historical experience and other factors, including expectations of future events that may have a financial impact on the Company and that are believed to be reasonable under the circumstances.

1) According to the information and explanations given to us, the records examined by us and based on the examination of the records of the Company, the lands measuring 8053.54 acres approximately are held by the company originally in the name of Ramnagar Cane & Sugar Company limited as per the order no. 4572-L dated 12th March 1964 of Land Reform Branch, Land and Revenue Department, Government of West Bengal and thereafter the name of the company was changed to Khatian Agro complex Limited as per the certificate of incorporation issued by the registrar of the companies on 1st October 1994. Further M/s Khatian (India) Limited was amalgamated with Khatian Agro Complex limited with effect from 1st January 1994 as per the order of Honorable Calcutta High court dated 17th October 1994 and as per the order of the court the name of the company was retained as Khatian India Limited. The registrar of the Companies, West Bengal issued the Fresh Certificate of Incorporation on 14th November, 1994 and changed the name of the company from Khatian Agro Complex Limited to Khatian (India) Limited. Subsequently the Government of West Bengal in its Calcutta Gazette published on 17th April, 1995, vide its Notification no. 186-C/C dated 24th March, 1995 issued by the commerce and industries Department, Group C made the amendments and substitute the word and brackets from Khatian Agro Complex Limited (Sugar Division) to Khatian (India) Limited. Further, as per the letter issued by the Government of West Bengal, Memo No. - 158/Be-II/18 dated - 19.04.2018, the "retainer" mill is a "lessee" directly under the State with the terms and conditions specified in rules made under section 4B of the WBLR Act, 1955. However, based on legal advice, the management is of the opinion that pending completion of necessary legal formalities and resolution of the demands as made by the Government of West Bengal, the Company continued to consider the said parcel of land freehold in character.

2) Land, retained by the Company as per State Government Order No.4572 - 1 reference dated 12th March, 1964. However as per the letter issued by the Government of West Bengal, Memo No. - 158/Be & LRO/Be-II/18 dated - 19.04.2018, the "retainer" mill is a "lessee" directly under the State for such land with the terms and conditions specified in rules made under section 4B of the WBLR Act, 1955.

38 Employee benefit obligations / expenses

(I) Post Employment Defined Contribution Plan

The Company contributes to the Provident Fund (PF) having Code No. WBPRB0016205000 and Account No. 11107807864 maintained by the Regional Provident Fund Commissioner. Under the PF scheme contributions are made by both the Company and its eligible employees to the Fund, based on the current salaries. An amount of Rs. 9,67,182/- (31 March 2020 : Rs 64,12,709) has been charged to the Statement of Profit and Loss towards Company's contribution to the aforesaid PF scheme. Apart from making monthly contribution to the scheme, the Company has no other obligation.

(II) Post Employment Defined Benefit Plan-Gratuity (Funded)

The Company provides for Gratuity, a defined benefit retirement plan covering eligible employees. As per the scheme, the Gratuity Trust Funds managed by the Life Insurance Corporation of India (LIC) make payment to vested employees at retirement, death, incapacitation or termination of employment, of an amount based on the respective employee's eligible salary for specified number of days, as per provisions of Gratuity Act depending upon the tenure of service subject to a maximum limit of Rs.2,000,000. Vesting occurs upon completion of five years of service. Liabilities with regard to the Gratuity Plan are determined by actuarial valuation as set out in Note 42 (II) and (IV), based on which, the Company makes contributions to the Gratuity Fund.

The following Table sets forth the particulars in respect of the aforesaid Gratuity fund of the Company.

The Company ensures that the investment positions are managed within an Asset - Liability Matching (ALM) framework that has been developed to achieve investment that are in line with the obligation under the Gratuity scheme. Within this framework the Company's ALM objective is to match asset with gratuity obligation. The Company actively monitor how the duration and the expected yield of instruments are matching the expected cash outflow arising from the gratuity obligations. The Company has not changed the process used to manage its risk from previous period. The Company does not use derivatives to manage its risk. The gratuity scheme is funded with LIC which has good track record of managing fund.

Maturity Profile of Defined Benefit Obligation

Weighted average duration (based on discounted cashflow) is 11 Years
The expected maturity analysis of undiscounted gratuity benefit is as follows:

	1 Year	2 to 5 Year	6 to 10 Year	> 10 Year	Total
As at 31 March 2021 Defined benefit obligation	48,06,059	28,68,215	20,01,063	-	96,75,337
As at 31 March 2020 Defined benefit obligation	1,25,05,059	59,76,971	97,55,409	11,82,48,198	14,64,85,637
As at 31 March 2019 Defined benefit obligation	99,74,439	1,70,66,715	64,12,009	97,69,437	4,32,22,600
As at 31 March 2018 Defined benefit obligation	42,77,685	55,88,933	32,75,596	28,74,566	1,60,16,780
As at 31 March 2017 Defined benefit obligation	26,14,553	35,19,375	12,64,851	5,64,442	79,63,221

(V) Sensitivity Analysis

The following table present a sensitivity analysis to one of the relevant actuarial assumption, holding other assumptions constant, showing how the defined benefit obligation would have been affected by changes in the relevant actuarial assumptions that were reasonably possible at the reporting date.

	As at March 31, 2021		As at March 31, 2020	
	Decrease	Increase	Decrease	Increase
Discount Rate (-/+1%)	98,47,086	90,93,984	2,61,24,301	2,38,63,144
Salary Growth Rate (-/+1%)	91,30,183	98,07,461	2,39,54,878	2,60,21,897
Attrition Rate (-/+50%)	94,47,919	94,54,890	2,48,49,933	2,49,99,345
Mortality Rate (-/+10%)				

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

The Company ensures that the investment positions are managed within an Asset - Liability Matching (ALM) framework that has been developed to achieve investment that are in line with the obligation under the Gratuity scheme. Within this framework the Company's ALM objective is to match asset with gratuity obligation. The Company actively monitor how the duration and the expected yield of instruments are matching the expected cash outflow arising from the gratuity obligations. The Company has not changed the process used to manage its risk from previous period. The Company does not use derivatives to manage its risk. The gratuity scheme is funded with LIC which has good track record of managing fund.

Maturity Profile of Defined Benefit Obligation

Weighted average duration (based on discounted cashflow) is 11 Years

The expected maturity analysis of undiscounted gratuity benefit is as follows:

	1 Year	2 to 5 Year	6 to 10 Year	> 10 Year	Total
As at 31 March 2021 Defined benefit obligation	7,89,324	15,00,808	20,33,632	-	43,23,764
As at 31 March 2020 Defined benefit obligation	7,72,727	4,09,069	20,71,232	1,21,00,622	1,53,53,650
As at 31 March 2019 Defined benefit obligation	2,88,922	12,20,390	19,18,296	45,49,018	79,76,626

(Vc) Sensitivity Analysis

The following table present a sensitivity analysis to one of the relevant actuarial assumption, holding other assumptions constant, showing how the defined benefit obligation would have been affected by changes in the relevant actuarial assumptions that were reasonably possible at the reporting date.

	As at March 31, 2021		As at March 31, 2020	
	Decrease	Increase	Decrease	Increase
Discount Rate (-/+1%)	45,87,585	39,18,679	67,33,503	57,25,563
Salary Growth Rate (-/+1%)	39,03,375	46,01,039	56,94,520	67,62,020
Attrition Rate (-/+50%)	41,77,055	42,78,206	61,11,451	62,71,274
Mortality Rate (-/+10%)				

The above sensitivity analyses are based on a change in an assumption while holding all other assumptions constant. In practice, this is unlikely to occur, and changes in some of the assumptions may be correlated. When calculating the sensitivity of the defined benefit obligation to significant actuarial assumptions the same method (present value of the defined benefit obligation calculated with the projected unit credit method at the end of the reporting period) has been applied as when calculating the defined benefit liability recognised in the balance sheet. The methods and types of assumptions used in preparing the sensitivity analysis did not change compared to the prior period.

(VI) Risk Exposure:

Valuations are performed on certain basic set of pre-determined assumptions and other regulatory framework which may vary overtime. Thus, the Company is exposed to various risks in providing the above gratuity benefit, the most significant of which are as follows:"

(VII) Interest Rate risk:

The plan exposes the Company to the risk of fall in interest rates. A fall in interest rates will result in an increase in the ultimate cost of providing the above benefit and will thus result in an increase in the value of the liability (as shown in financial statements)."

(VIII) Liquidity Risk: This is the risk that the company is not able to meet the short term gratuity pay-outs. This may arise due to non availability of enough cash/cash equivalents to meet the liabilities.

Salary Escalation Risk: The present value of the defined benefit plan is calculated with the assumption of salary increase rate of plan participants in future. Deviation in the rate of increase of salary in future for plan participants from the rate of increase in salary used to determine the present value of obligation will have a bearing on the plan's liability.

(IX) Demographic Risk: The Company has used certain mortality and attrition assumptions in valuation of the liability. The Company is exposed to the risk of actual experience turning out to be worse compared to the assumption.

(X) Regulatory Risk: Gratuity benefit is paid in accordance with the requirements of the Payment of Gratuity Act, 1972 (as amended from time to time). There is a risk of change in regulations requiring higher gratuity payouts (e.g. Increase in the maximum limit on gratuity of Rs. 20,00,000). An upward revision of maximum gratuity limit will result in gratuity plan obligation.

Fair Value Technique

The fair values of the financial assets and liabilities are included at the amount that would be received to sell an asset or paid to transfer a liability in an orderly transaction between participants at the measurement date. The following methods and assumptions were used to estimate the fair values:

- (a) The fair value of cash and cash equivalents, trade receivables, trade payables, current financial liabilities and borrowings approximate their carrying amount largely due to the short-term nature of these instruments. The board considers that the carrying amounts of financial assets and financial liabilities recognised at cost/amortised costs in the financial statements approximates their fair values.
- (b) Investments in quoted equity shares are measured using quoted market prices at the reporting date multiplied by the quantity held.
- (c) Fair Value for valuation of unquoted equity instruments is arrived based on management estimate.

40 Financial Risk Management objectives and policies

The Company's principal financial liabilities comprise borrowings in domestic currency, capital creditors and trade and other payables. The main purpose of these financial liabilities is to finance the Company's operations. The Company's principal financial assets include loans, trade and other receivables, cash and cash equivalents, investments at cost/fair value and deposits, that derive directly from its operations.

The Company is exposed to market risk, credit risk and liquidity risk. The Company's senior management oversees the management of these risks. The Board of Directors reviews and agrees policies for managing each of these risks, which are summarised below.

A Market risk

Market risk means that the fair value of future cash flows of a financial instrument will fluctuate because of changes in market prices. The goal of market risk management is optimization of profit and controlling the exposure to market risk within acceptable limits. Market risk comprises two types of risk: 'Foreign currency risk', 'Interest rate risk', and 'Price risk on traded goods'.

Price Risk on Traded Goods

The company is impacted by the price volatility of goods in which the Company trades. To minimize the risk related to price of traded goods, the Company obtain order for sales from buyers prior to purchase of goods with immediate despatch to buyer.

B Credit risks

Credit risk is the risk of financial loss to the Company if a customer or counterparty to a financial instrument fails to meet its contractual obligations, and arises principally from the Company's receivables from customers and others. In addition, credit risk arises from financial guarantees.

The Company implements a credit risk management policy under which the Company only transacts business with counterparties that have a certain level of credit worthiness based on internal assessment of the parties, financial condition, historical experience, and other factors. The Company's exposure to credit risk is influenced mainly by the individual characteristics of each customer. The Company has established a credit policy under which each new customer is analyzed individually for creditworthiness.

The Company establishes an allowance for impairment that represents its estimate of incurred losses in respect of trade and other receivables. The main components of this allowance are a specific loss component that relates to individually significant exposures, and a collective loss component that are expected to occur. The collective loss allowance is determined based on historical data of payment statistics for similar financial assets. Debt securities are analyzed individually, and an expected loss shall be directly deducted from debt securities.

(i) Credit risk exposure

The carrying amount of interest-bearing financial instruments as of 31 March 2017, 31 March 2016 and 1 April 2015 are as follows:

The carrying amount of financial assets represents the Companies's maximum exposure to credit risk. The maximum exposure to credit risk as of 31 March 2021, 31 March 2020 are as follows:

Particulars	As at 31st March, 2021	As at 31st March, 2020
Trade receivables (net)	10,33,05,464	11,83,90,521

More than 180 days past due	6,74,10,155	7,19,52,858

No significant changes in estimation techniques or assumptions were made during the reporting period.

C Liquidity Risk

The Company's objective is to at all times maintain optimum level of liquidity to meet its cash and collateral requirement at all times. The need of the funds of the company are being met by internal accrual and borrowings. The short and medium term requirements are met through the committed lines of credit.

The table provides undiscounted cash flow towards non-derivative financial liability and net settled derivative financial liabilities into relevant maturities based on the remaining period at balance sheet date to contractual maturity date.

41 CAPITAL MANAGEMENT

A. Risk management

The fundamental goal of capital management are to: - safeguard their ability to continue as a going concern, so that they can continue to provide returns for shareholders and benefits for other stakeholders, and - maintain an optimal capital structure to reduce the cost of capital.

The Board of Directors has the primary responsibility to maintain a strong capital base and reduce the cost of capital through prudent management of deployed funds and leveraging opportunities in domestic and international financial markets so as to maintain investor, creditor and market confidence and to sustain future development of the business.

For the purpose of company's capital management, capital includes issued capital and all other equity reserves. The company manages its capital structure in light of changes in the economic and regulatory environment and the requirements of the financial covenants.

The Company manages its capital on the basis of net debt to equity ratio which is net debt divided by total equity. Net debt are long-term and short-term debts as reduced by cash and cash equivalents. The Company is not subject to any externally imposed capital requirements.

The following table summerises the capital of the Company:

46 The Company has an investment in 1404000 equity shares of Rs. 10 each of Khaitan Lefin Limited which is more than 20% of the paid up share capital of the said company therefore the Company is required to prepare a consolidated accounts as per indian accounting standards. however the Company has not prepare the Consolidated accounts as the accounts of the said Company for the current financial year was not ready available.

47 Operational activity of the sugar division of the company is under suspension for more than 12 months as the division was incurring heavy losses because of various reasons like high cost of production and un-remunerative selling prices. The management is expecting that situation should improve in foreseeable future as it has taken various remedial measures. There is no plan to discontinue the activities related to sugar division. Hence, the same has been considered as part of continuing business operations.

48 Although in the opinion of the management, Fixed Assets of the Sugar Division of the company has an aggregate realizable value higher than the book value and therefore do not envisage any indication of the impairment at this stage. However, as an abundant precaution, management will initiate measures to make independent valuation of the assets. Necessary impairment losses, if any will be recognized after the completion of such exercise

49 Certain financial and operational creditors of the company have initiated Insolvency and Bankruptcy proceedings against the Company under IBC Code 2016. However, in all of the cases, the petition of the concerned creditors has not been admitted yet by the competent court of law. Management is taking necessary steps to resolve the issue of such creditors. Therefore, it does not envisage any concerns as regards to going concern status of the company at this stage.

50 The spread of Covid-19 from March 2020 is having an unprecedented impact on people and economy. The Company has considered the possible effects that may result from the pandemic relating to COVID-19 on the carrying amounts of trade receivables, tangible assets, Investments and other items of current assets. In developing the assumptions relating to the possible future uncertainties in the economic conditions because of this pandemic, the Company, as at the date of approval of these financial statements has used internal and external sources of information. The Company based on current estimates expects to recover the current value of the Assets, unless otherwise stated.

51 The balance of debtors, Creditors, Loan, advance, Claims and deposits are subject to confirmation/ reconciliation. Adjustments, if any, arising therefrom are not likely to be material on settlement and are accounted as and when ascertain.
